

The Ames High Athletic Booster Club has been able to assist the Athletic Department with many of its needs not provided for in the annual budget. This is accomplished by outstanding support and contributions from parents and fans of Ames High Athletics.

The Club's purpose and objectives are:

- To promote and foster interest in the goodwill toward all athletic programs in the Ames Community School System.
- To bring into closer relationship the home, school, and fans who follow athletics.
- To secure for all athletic programs the highest standards and advantages that a program can provide.
- To assist the athletic program via work projects, fun raising events, and providing volunteers when needed.
- To stimulate fair play and good sportsmanship by parents, fans, coaches and participants.
